

Measurement Module Pre-Practical Preparation

You are expected to send a draft of your Measurement Report to your teammates at least 24 hours before the Practical where you will be discussing each other's reports. You are also expected to have read your teammates' reports before that Practical.

Fill in the form below and bring it to the Practical where this *peer review* will occur. Failure to bring this completed form to the Practical will cause a deduction of one mark from your Practical mark.

In the space below please **print** the names of your teammates:

1. _____
2. _____
3. _____

Date and time you sent your Measurement Report to your teammates	
Date you received Teammate 1's Measurement Report	
Date you received Teammate 2's Measurement Report	
Date you received Teammate 3's Measurement Report	

I certify that the above data are correct and that for my teammates' reports that were received at least one day before the Practical, I read them before the Practical.
